2016 APHE National Humane Education Conference

“Sharing Corral Poster Session” Application

The Association of Professional Humane Educators (APHE) is excited to offer you the opportunity to showcase your new and innovative programs, lessons, or resources at the 2016 APHE National Humane Education Conference. Please consider applying for the Sharing Corral Poster Session. Attendees will have the opportunity to view the displays Thursday, February 25 and Friday, February 26.

The Sharing Corral Poster Session displays will highlight:

- 1) Successful programs
- 2) Effective tools that can help humane educators be more productive and efficient
- 3) Engaging and interactive lesson plans, activities, current research or academic programs related to humane education

Sharing Corral Poster Session guidelines:

- ~ Displays should be self-explanatory. This can be achieved through text, images and props as desired.
- ~ Presenters should be at their tables for questions and demonstrations (as needed) for as much of the time listed above as possible.
- ~ Presenters are responsible for bringing all necessary supplies. Tables, tablecloths and a chair will be provided.
- ~ Presenters are welcome to share materials relevant to their displays; however, items may not be sold for purchase from Sharing Corral Poster Session exhibitors. If you are interested in vendor opportunities, please visit www.aphe.org or contact us at exhibits@aphe.org for a vendor application.

The Sharing Corral Poster Session is not the place for your brochures, magazines, and other giveaways from your organization—we will have tables set up elsewhere for the placement of those items. The Sharing Corral Poster Session is the place to share your successful programs, activities and resources to help others implement similar ideas in their own communities.

To participate in the Sharing Corral Poster Session, you will need to apply before the conference. There is no fee but there is a limit to the number of participants, so sign up today! E-mail the following information with “2016 Sharing Corral Poster Session” in the subject line to exhibits@aphe.org no later than January 24, 2015. Applications will be reviewed as they are received.
